Product description:

Protects teeth and dental work from clenching and grinding, without the hassle of boiling water or microwaving to fit. The bite pads automatically swivel to match bite angle and adjust to fit all sizes. This dental guard is designed to be as durable and strong as possible.

How it works in short:

The SleepRight Dental Guard helps protect teeth and dental work from the harmful effects of teeth grinding at night. Patented self-adjusting bite pads allow you to create a custom fit without having to boil water to fit or mold a custom dental guard.

The SleepRight Dura contains the following items:

- 1) 1 SleepRight Dura dental guard
- 2) 1 case for storing Dental Guard safe during daytime or travel
- 3) 1 manual in (English)
